

Stratford Park

client: London Borough of Newham
budget: £150,000
location: Newham E15
status: completed 2004

- Farrer Huxley Associates were commissioned to review the play and sports provision for five parks
- bespoke consultations have been held on each site throughout the development process
- improvements included four play areas, three ball courts and two trim trails plus improvements to park access and circulation
- at Stratford Park a modern take on the traditional bandstand created a focal point at the junction of several routes
